

2017 Math and Spanish Placement Test at St. Mary's Academy

Math Placement

To be able to start your high school math courses with Accelerated Algebra or Geometry or Hons. Geometry you must take our Math Placement Test.

Date: Tuesday, May 23rd, 6:30pm- 7:30 pm (HS Room 3)

Alternate Date: Monday, June 5th, 9:00am(HS Room3)

Please contact Ms. Iswari Natarajan at inatarajan@smanet.org or 303-762-8300x348, or the high school office for any questions.

A calculator is not allowed for the test.

The topics are those of a typical Algebra1 textbook. Emphasis is on the following- constructing, simplifying, and evaluating numeric and algebraic expressions, including those with integer exponents aspects of linear equations and inequalities, including systems in two variables, and simple applications elements of quadratic expressions and equations (factoring, finding zeros), percents, square roots and similar triangles

Spanish Placement

Date: Wednesday, May 24th, 6:30pm -7:30pm (HS Room 2)

Alternate Date: Monday, June 5th- 10:00am(HS Room 2)

Please contact Ms. Pfeifer at epfeifer@smanet.org for any questions.
