COUNT ME IN...MATH CAMP

Count Me In is a math enrichment program designed for girls and boys. Our Count Me In camp is designed to provide a place for girls and boys of all ability levels to practice, create, and compete in math in a unique and supportive setting. Plan on games, activities, and hands-on learning fun! Cost: \$200

Age Group:

- Rising 4th - 5th grade
July 24 – 28 8:30 – 11:30
- Rising 1st - 3rd grade
July 24 – 28 12:30 – 2:05

Instructors: Linda Deits & Darla Hamilton

ALGEBRA I READINESS

This camp is for incoming 8th graders or advanced 7th graders. We will concentrate on concepts and skills which provide a firm basis for entering Algebra I. It will include a review of fractions, decimals and percent relationships and operations, equation solving, ratios, integers, squares and roots, graphing and an introduction to linear functions. This camp is for those students in middle school who need to review or practice basic algebra strategies to assure future success in Algebra I. Conducted by Michael Pattison. Cost: \$250 July 31 - Aug. 11
8:30 – 10:00

ALGEBRA I

This camp is for 7th grade students entering, or for 8th/9th graders entering/continuing with, Algebra I. Students will be introduced to exponents, linear functions, simplifying radicals, solving systems, polynomials and factoring. The camp is for those students who wish to be assured of ongoing success in Algebra I. Conducted by Michael Pattison. Cost: \$250 July 31 - Aug. 11
10:15 – 11:45 Just Added second session: 12:15 - 1:45

2017 GET IT IN WRITING!

The Persuasive Essay Booster Course is a simple way to master the basic format of every paper your student will have to write—from now through college and beyond. These seminar-style classes give each student individual help necessary to rapidly improve his or her daily class composition. The course is taught by Ann Ferrell, an Adjunct Professor of English at Community College of Denver and has also taught at Regis University, Metropolitan State College of Denver, and Red Rocks Community College. In addition, she tutors students at a number of Denver private schools and teaches summer classes in writing/reading/grammar at Colorado Academy, Kent Denver and St. Mary's Academy. Cost: \$125

Age Group:

- Students entering grades 6 – 7 in Fall 2017
July 10 – 13 9:00 – 12:00
- Students entering grade 8 - 9 in Fall 2017
July 10 – 13 12:30 – 3:30

Photography

EXPLORATIONS IN PHOTOGRAPHY

Students will explore the history and evolution of photography as a medium, while learning the fundamentals of photographic composition, basic camera operation, and alternative processes. Both digital and traditional methods of picture making will be utilized during two field trips.

Students may use their personal smart phones (iPhone 5 or newer), iPad (iPad Air), or dslr camera for digital assignments. Polaroid cameras will be provided by instructor, Jason Jung. Cost: \$325

10 student maximum per session; Ages 11-14

June 19 – 28

Morning Session: 9:00a.m 11:00am

Afternoon Session: 1:00pm 3:00pm

Summer Boot Camp

6TH GRADE SUMMER MATH BOOT CAMP

This daily two-week program will review math readiness skills most needed for incoming 6th graders. It is designed to keep students engaged in academics over the summer and preview the middle school math expectations for the upcoming year. Summer math homework worksheets and on-line quizzes will be addressed and ready for students to complete on their own. Finally, this camp is designed to introduce your child to St. Mary's Academy classmates and build familiarity with the campus environment. It is offered in conjunction with the 6th Grade Language Arts Boot Camp and designed only for incoming SMA 6th graders.

Students can take one or both! Cost: \$225

July 10 – 21 8:30 – 10:00

6TH GRADE SUMMER LANGUAGE ARTS BOOT CAMP

This daily two-week program will review language arts readiness skills most needed for incoming 6th graders. It is designed to keep students engaged in academics over the summer and preview the middle school language arts expectations for the upcoming year. Summer reading assignments will be discussed; however, the books do not have to be completely read before camp. Writing assignments during boot camp will help prepare students to complete the summer writing assignments independently. Finally, this camp is designed to introduce your child to St. Mary's Academy classmates and build familiarity with the campus environment. It is offered in conjunction with the 6th Grade Math Boot Camp and designed only for incoming SMA 6th graders. Students can take one or both! Cost: \$225

July 10 – 21 10:00 – 11:30

7TH GRADE SUMMER MATH BOOT CAMP

This daily two-week program will review math readiness skills most needed for students entering the 7th grade in the fall. It is designed to keep students engaged in academics over the summer and preview the middle school math expectations for the upcoming year. Summer math homework worksheets and on-line quizzes will be addressed and ready for students to complete on their own. It is offered in conjunction with the 7th Grade Language Arts Boot Camp. Students can take one or both! Cost \$225 each session

Arts and Crafts

A YARD FULL OF FUN

Do you want to have the coolest backyard in your neighborhood? Have a great time making a bird feeder, stepping stones, painted terra cotta pots, wind chimes and more. Enjoy your yard this summer with some of your own special creations.
 Age Group: 6-10 Sessions I & II 8:30 – 9:45

ARTS & CRAFTS FOR BEGINNERS

This class is an introduction to arts & crafts. You will make food, color t-shirts, play dough creatures and tie-dye bandanas and many more projects in this class.
 Age Group: 5-7 Sessions I & II 8:30 – 9:45

WEARABLE ART

Join this class to make wearable, hang-able, and touchable crafts from a wide variety of resources. You'll be making everything from New Age Gods Eyes, imprinted washer necklaces, and funky scarfs!
 Age Group: 8-12 Sessions I & II 10:10 – 11:25

CERAMICS

Do you like getting your hands dirty? Then come learn how to make objects with clay. You will learn how clay is made, how it reacts with nature, how to manipulate it and how to preserve clay through firing it in a kiln. You will also get to paint and decorate your creations.
 Age Group: 5-8 Sessions I & II 1:25 – 2:45

CLAY CREATURES

Imaginary creatures come alive in this class! Using a variety of handbuilding techniques and color applications with clay, you will create several real and imaginary creatures. You'll even make a useful mug or bowl featuring your creature.
 Age Group: 8-12 Session II 1:25 – 2:45

EDIBLE SCULPTURES

Do you like to play with your food? Learn the art of creative food-making! Turn marshmallows into snow-people and bread into knots. This class will explore fun and interesting projects you can eat or proudly display.
 Age Group: 5-10 Session II 12:05 – 1:20

DECORATIVE CREATIONS

Are you crafty? In this class you will create useful and unique hand-crafted pieces. From picture frames, pottery, paintings, and much more. Explore your inner designer!
 Age Group: 8-12 Sessions I & II 12:05 – 1:20

INTRODUCTORY CROCHET

Learn the wonderful fiber art of crochet! In this class, you will learn the basic stitches needed to create beautiful handmade projects such as potholders, scarves, coasters or placemats. No experience is necessary, but you do need to have patience and enjoy creating something unique from scratch.
 Age Group: 10-13 Session I 12:05 – 1:20

JEWELRY-MAKING

If you love to accessorize then this class is for you! Learn to make jewelry for yourself and for your friends. You will learn beading, wire-work and other techniques. Bring out your inner fashion diva.
 Materials Fee: \$30
 Age Group: 8-12 Session I 1:25 – 2:45
 Session II 12:05 – 1:20

MACRAMÉ

Come learn not one, but two fun ways to make some great summer craft projects! First, we will learn how to do macramé, a simple and fun fiber art. You can make bracelets, necklaces and even belts using hemp with bead accents.
 Age Group: 8-13 Sessions I & II 1:25 – 2:45

Arts and Crafts

continued

STAINED GLASS WORKSHOP

Calling all artists! Come join us in the medieval art of stained glass making! Beginners will learn how to cut, grind, foil and solder cut glass art projects! Along with all the steps to clean, patina and finish stained glass artwork, we will provide all the materials needed including safety glasses. Please wear closed toed shoes, as the solder can get hot! All you need to bring is your imagination! This is a double class. Materials Fee: \$30

Age Group: 8-12 Session I 8:30 – 11:25

T-SHIRT ART

In this class you will create works of art that you can wear! You'll design, and then create t-shirts that will impress your friends and family. If you can imagine it, we will help you make it. Puff paint, iron-on patterns, tie-dye and sparkly bling are just a few mediums you will use in this super fun class.

Age Group: 5-12 Sessions I & II 12:05 – 1:20

WATERCOLOR

If you take this class, you will paint beautiful sunrises and sunsets, ocean scenes and running rivers. In this class you will have the chance to choose from a number of still life set-ups and possibly do a self-portrait using watercolor paint.

Age Group: 5-12 Sessions I & II 1:25 – 2:45

Cooking

KIDS IN THE KITCHEN

Come whip up some fun along with some yummy treats. You'll learn cooking basics, food safety and, best of all, you can eat what you make. You will also make your own cooking apron.

Age Group: 8-12 Sessions I & II 10:10 – 11:25

Performing Arts

DANCE & DRAMA WORKSHOP

In this class, you will explore drama ideas and improvise to music and movement. You will create an original play that includes dance, and a physical expression of the ideas you come up with.

Age Group: 5-12 Session I & II 8:30-11:25
Double Class

Technology

COMPUTER ART

Are you a computer nut? Do you like creating works of art? How about combining your talents for this class? You will learn several programs to create works of art on the computer. Make gifts for your family and friends or posters to hang in your room.
Age Group: 5-12 Sessions I & II 1:25 – 2:45

COMPUTER GAMES

In this class you will play a variety of computer games. Some games will be played online with players from across the country, while other games will be on CD or DVD.
Age Group: 5-12 Sessions I & II 8:30 – 9:45

FUN WITH COMPUTERS

Come learn about the computer at your own pace. With access to a variety of software programs, you can explore your own interests.
Age Group: 5-12 Session I 12:05 – 1:20
 Session II 8:30 – 9:45

KEYBOARDING

Learning to type quickly and efficiently on a computer is a must! Come learn “touch” alphabetic and numerical keyboarding on the computer.
Age Group: 5-8 Session III 8:30 – 10:00
Age Group: 9-12 Session III 12:35 – 2:05

POWERPOINT/IMOVIE

In this class you will learn to make presentations with animation and how to import pictures and clip art in PowerPoint and iMovie. If you want to learn how to impress your teachers with presentations, this class is for you.
Age Group: 8-12 Session III 10:25 – 11:55

ROBOTICS

In this class you will learn how to build and program the LEGO Mindstorms NXT robots, the coolest robot available. You will use your new skills to meet such challenges as reacting to intruders, moving objects to different locations, stinging an intruder with a robot tail, or beating your opponent in Battle-Bots. In this class you will learn to use different types of robotic sensors and robotic programming. If you have some Lego robotics experience or none at all, you will have the opportunity to learn new techniques that will make you a better robot builder, programmer, and problem solver. *Robots are for use by students in class only. The robots are expensive, and students will not be able to take them home.
Age Group: 8-13 Session II 8:30 – 9:45

VIDEO GAMES GALORE

Do you have a PlayStation? Do you have an Xbox? Do you like to play video games? If you answered yes to one of these questions, you qualify for this class. Come play a variety of video games and learn strategies that could make you a world champion! Bring your favorite games and share your secrets to success.
Age Group: 8-12 Session I 8:30 – 9:45
 Session II 12:05 – 1:20

Science

ABC'S OF SCIENCE

In this class you will learn basic science facts and concepts through hands-on projects and experiments. Dabble in the A-Z of science subjects from astronomy to zoology. If you are into slime, fossils and science magic, you will love this class!

Age Group: 5-8 Session III 12:35 – 2:05

ADVENTURES IN SPACE

In this class you will experience life on the planets, comets, and aliens. This class will also give you the perfect tools for viewing the Perseid Meteor Shower.

Age Group: 5-12 Sessions I & II 1:25 – 2:45
Session III 8:30 – 10:00

ROCKETS

Study aviation from the invention of airplanes to modern day space shuttles. Learn the basics of aerodynamics by designing, building and launching your own rockets. Materials fee: \$30.

Age Group: 8-12 Session I 8:30 – 9:45
Session II 10:10 – 11:25

SCIENCE EXPLORATION

Have you ever wanted to make some really great-looking fake blood or edible barf? Then come learn the recipes for creating all things ooey, gooey, slippery and slimy. You'll also build volcanoes and make them erupt!

Age Group: 8-10 Sessions I & II 12:05 – 1:20

SCIENCE SLEUTHS

In this class you will do a new magical activity every day. Can you crush a can with air? Have you sent a friend a note with invisible writing? You will learn these secrets and many more!

Age Group: 5-8 Session III 10:25 – 11:55

THAT'S GROSS

In this class you will learn the meaning of the word disgusting. You will prepare recipes with gross ingredients that can actually be eaten. You will also make and take home things like fake blood, slime and dookie cookies. Join in a real ghoulish, rotten time.

Age Group: 8-12 Sessions I & II 10:10 – 11:25

Academics

MATH AND READING ENRICHMENT

Get ready to be challenged through special tutoring and enrichment classes in reading and math. Call to request another academic area. (These are not remedial classes.)

Age Group: Grouped according to age (5-8)

Sessions I & II	10:10 – 11:25
Session III	10:25 – 11:55

MATH WITH COMPUTERS

Math can be fun! Increase and reinforce your math skills through computer programs such as Speedway Math, Fraction Muncher and many more.

Age Group: 9-12	Session III	8:30 – 10:00
Age Group: 5-8	Session III	12:35 – 2:05

BOOK CLUB

Do you have summer reading to complete? Come with your book or get ideas for some great summer reading. You'll also discover ways to stay engaged in your reading through writing. Grab a book and come on in.

Age group: 7-12	Session III	12:35 – 2:05
-----------------	-------------	--------------

KITES, BUBBLES AND THE SUN

Every class will be a new adventure. Enjoy making and flying kites, developing the best bubble blowing solution, going on a bug hunt and much more.

Age Group: 5-8	Session III	10:25 – 11:55
----------------	-------------	---------------

MAKE A BOOK

Do you have a story to tell? If you are an aspiring author this class is for you! You will read, write, illustrate and create your own stories and books.

Age Group: 5-8	Session III	8:30 – 10:00
----------------	-------------	--------------

PUZZLES AND NATURE

Do you enjoy the challenge of a good puzzle? Do you also love nature? Then this class is for you! Enjoy putting together large and small puzzles with nature themes. Once the puzzles are complete, you will explore habitats, animals, adaptations and fun facts about some of Earth's most amazing animals.

Age Group: 5-10	Session III	12:35 – 2:05
-----------------	-------------	--------------

ADVENTURES IN SPANISH

Summer Adventure in Spanish is an awesome opportunity for your child to experience their first exposure to Spanish. It is designed for ages 5 to 7 years. We will learn useful phrases through games, hands-on activities, apps, singing, and dancing. This is a great beginning for your child to gain an insight into the Spanish language and culture.

Age Group: 5-7	Sessions I & II	8:30 – 9:45
	Session III	8:30 – 10:00

SPANISH

Are you new to SMA? If you have not taken a Spanish class before or think you would like to review beginning Spanish, come and join us. Let's learn Spanish in a fun way.

Age Group: 8-12	Sessions I & II	10:10 – 11:25
-----------------	-----------------	---------------

STUDY SKILLS

Learn to study more efficiently and effectively. This class will help to improve your skills in note-taking, research, organization, study habits and test-taking.

Age Group: 10-14	Session III	12:35 – 2:05
------------------	-------------	--------------

WORD WIZARD

Words are wonderful things. Learn the joy of language and increase your vocabulary. You will have fun discovering the definition of new words, the origin of words and even the multiple meanings of words. Become a word wizard!

Age Group: 7-12	Session III	10:25 – 11:55
-----------------	-------------	---------------

Junior Kindergarten

THEME FOR A DAY

Calling all 4-7 year olds! Are you ready to make friends while being immersed in exciting project-based adventures? Two JK teachers will offer two, two-week sessions structured around 20 different themes. The curriculum will be based on sensory, art, writing, reading, cooking, block-building and movement activities, along with plenty of outdoor play. Some fun summer reading and writing practice will be infused into each theme!

Age Group: 4-7 Sessions I & II 8:30 – 2:45

Recreation

ARCHERY

Have you ever been jealous of Robin Hood? Then come learn the basic skills of archery with an emphasis on proper terminology, rules and safety. All equipment is provided.

Age Group: 9-12 Session I 10:10 – 11:25
Age Group: 5-8 Session II 10:10 – 11:25

BOARD GAMES

Do you love to play board games? Enjoy friendly competitions with a new game every day. Games include Guesstures, Taboo, Catch Phrase, Claymania, Hoopla, Scattergories, Cranium and more. You'll go crazy guessing, acting out and laughing during our days of fun.

Age Group: 5-12 Sessions I & II 8:30 – 9:45

BUILD IT!

In this class you will build bridges, towers and other amazing structures from a variety of fun materials including: Legos, popcicle sticks, K'nex and salt dough.

Age Group: 8-13 Session I 12:05 – 11:25
Session II 1:25 – 2:45

DIGITAL PHOTOGRAPHY

This introductory class will focus on different ways to take a great picture. You'll play around with lighting, color, dimension and perspective and walk away with a portfolio of photographs. You'll also participate in a photo scavenger hunt and a photography contest. Bring a digital camera if possible!

Age Group: 8-12 Sessions I & II 10:10 – 11:25

FULL COURT PRESS

Do you want to be the next Nuggets star player? Then come refine your basketball skills by learning new techniques. Learn to shoot better, move better and be the best player you can be.

Age Group: 8-13 Session I 12:05 – 1:25
Session II 8:30 – 9:45

GAME TIME

Never be bored again! Come learn card games, board games and many more. If you have the time, we have the game.

Age Group: 8-12 Sessions I & II 10:10 – 11:25

Recreation

continued

GYM TIME

Do you like to run, scream and play lots of games? If so, this class is for you! A new activity every day will have you bouncing around and having fun in the gym. Bring along your friends. Playtime has never been so fun!

Age Group: 5-8 Sessions I & II 10:10 – 11:25

I'M PUZZLED

Don't be puzzled! It shouldn't be puzzling that this class will contain all sorts of puzzles: mathematical, logical, crossword, jigsaw, word and more. You'll work on different types of puzzles each day. See if you can solve all of them!

Age Group: 8-13 Sessions I & II 12:05 – 1:20

PLANES, TRAINS AND AUTOMOBILES

Do you like to build models? Come build with us! Choose from military fighting machines, nostalgic train engines or classic car models. Class fee: \$30.

Age Group: 8-12 Sessions I & II 1:25 – 2:45

SPORTS GALORE

This class offers a variety of sports such as rollerblade hockey, soccer, basketball, football, softball, Frisbee and much more. Come for the fun; stay for the excitement!

Age Group: 9-12 Sessions I & II 1:25 – 2:45

SUMMER SURPRISES

Spend your summer being surprised with exciting field trips every day. Swimming, The Children's Museum, Puppet Theatre and the Butterfly Pavilion are just a few of the activities. This is a two-period class. Additional fee: \$50.

Age Group: 5-8 Sessions I & II 12:05 – 2:45

SWIM AND STUFF

Every day you will leave campus for adventures such as swimming, bowling, miniature golf, Heritage Square, IMAX and possibly a Rockies game. This is a two-period class. Additional fee: \$50.

Age Group: 9-12 Sessions I & II 12:05 – 2:45

INDOOR FIELD HOCKEY AND FLOOR HOCKEY

Have fun learning the basics of stick sports! Students will be participating in high energy skill development, drills, partner work, and team games.

Age Group: 8-10 Session I 12:05 1:20

YOGA AND MEDITATION

(AGE GROUP: 6-8)

Yoga is beneficial for all ages! This is a yoga class for all youth levels, helping to support strength, agility, and flexibility. This session will also incorporate fun games, upbeat music, and unique movement to keep the energy high! Yoga is a great way to prepare your body and mind for both inside the classroom and out on the playing field.

Age Group: 6-8 Session I

OUTDOOR ADVENTURES AT ST. MARY'S ACADEMY

Do you have an interest for the outdoors, then this course is right up your alley, or perhaps trail. Outdoorsman Michael Koral will lead a one of a kind, outdoor adventure program at St. Mary's Academy Adventures this summer. This program will include white water rafting (dependent on weather conditions), hiking, canoeing, and bike riding which will take place all around the greater Denver area. The coolest part is campers will be exploring areas like Denver, Golden, Boulder, Idaho Springs, and still be home in time for dinner. What makes this program unique is that campers do not just hike, they learn about outdoor adventure skills while they hike. Over the course of this two-week adventure, campers will be able to acquire skills such as cooking in the outdoors, orienteering, how to change a bike tire, pitching a tent, and the importance of "leave no trace." Over the years, Michael Koral has learned and utilized these skills while doing weeklong camping trips in the Rocky Mountains of Colorado, New York's Adirondack Mountains, and he has also acquired vital knowledge through the completion of numerous marathons and an Ironman Triathlon. Michael has a great passion for educating the leaders of tomorrow and has been teaching physical education for the past 6 years. The great outdoors is truly a special gift that we are lucky enough to have right in our backyard so come join Michael on a fun-filled adventure. You must be physically fit for this class.

Age Group: 11-16 8:30-3:00 Sessions I & II

Cost for this experience is \$550

Active Learning Services

July 10–14, 2017

CHESS CAMP

Ages 5-16

Introductory to Advanced

This summer USA Chess is offering our exciting and entertaining chess camp at more than 100 locations nationwide. USA Chess is the largest and premier chess camp organizer for children in the United States. The staff is comprised of the finest children's chess instructors in North America. Registration options include mornings, afternoon and allday sessions. Campers experience chess instruction and play in a fun filled environment designed to improve their skills whether they are interested in casual or competitive chess. Tuition includes trophy, chess set and much more. Please visit: www.chesscamp.com for program details.

program. Students can add an additional program to make it a full day camp.

Updated for 2017

VIDEO GAME CREATION – 3D CONCEPTS

Ages 9-16

Intermediate to Advanced

Children with prior experience with GameMaker software or are at least 10 years old will learn the principals used in making 3D style games while creating their own “home base defense games”. Lessons include the principles of perspective, scale, infinity and other concepts. Students are challenged while allowing them to creatively apply their GameMaker skills and learn how game designers make the 2D computer screen “come to life” with 3D

MODDING, NETWORKING AND HOSTING WITH MINECRAFT

Updated for 2017

Ages 8 – 16

Introductory

Minecraft is hugely popular because it's collaborative, openended and moddable. Our program preserves those qualities and adds a large dose of fun! The week begins with learning the game, controls, recipes and a bit about hosting and networking. Next campers are connecting to different worlds hosted on our secure server and experimenting with character skins, mods and custom maps. By day three the kids are building in the Active Learning World that grows over time. Whether adding a room, building a moat or even creating a chessboard the possibilities are nearly limitless. This is a halfday

continued

effects. This is a halfday program. Students can add an additional program to make it a full day camp.

KODU VIDEO GAME CREATION – LIKE MARIO GOKART

Ages 7-16

Introductory to Intermediate

Children will create something similar to a Mario GoKart style game. What fun! Campers begin by designing their own world. Worlds can have mountains, valleys, lakes, hills, etc. or they can be a design unlike anything you have ever seen before. It's totally up to them! Next they place characters into the world and program them to move about, interacting with other characters, even talking using scripts written for the characters. They can program characters to pick up objects, engage opponents, and overcome villains. Children will use their creativity as they build a world full of racing tasks. Whether it is collecting enough diamonds before time expires, navigating through the challenging obstacle course, or racing against a friend they are sure to have fun!

For mail in registration only, 50% of all fees are due and payable at time of registration; the remaining 50% is due by May 19, 2017. A full refund will be made if a class is cancelled. Online registration is available, but full payment is due at time of registration. A 75% refund will be given when WRITTEN notice of withdrawal is received no later than three weeks prior to the first day of class. No refunds will be made for withdrawal later than three weeks before the first day of class. Nonpayment of fees does not constitute withdrawal.

STUDENTS ATTENDING SCHOOLS OTHER THAN ST. MARY'S ACADEMY NEED TO SUPPLY MEDICAL RECORDS AT TIME OF REGISTRATION. COPIES OF SCHOOL MEDICAL RECORDS ARE ACCEPTABLE.

TUITION FOR ACADEMY ADVENTURES CANNOT BE PRORATED FOR ANY SESSIONS.

A class schedule will be given to you on or before the first day of class.

Your registration will be confirmed by email upon receipt of registration materials. Confirmation letters will be mailed out weekly beginning the day after the registration deadline. Any registrations received after May 19, 2017 may not receive a confirmation letter.

ALL CLASSES HAVE A MAXIMUM ENROLLMENT AND WILL BE FILLED ON A FIRST-COME, FIRST-SERVED BASIS, COURSES WITH INSUFFICIENT ENROLLMENT WILL BE CANCELLED.

*Extended Day Center provides a well-supervised, caring atmosphere for children ages 5-12. Children are enrolled for two-week sessions: Monday-Friday during Sessions I and II and for the one week during Session III. Children may come on a drop-in basis with prior arrangement. The rate for drop-in is \$10 per hour, payable in advance. Late pickup is \$10 per 15 minutes.

2017 WILDCAT SPORTS CAMPS

Wildcat Sports Camps offer you an intense and energetic experience full of skill development and game experience. Campers will participate in sessions to improve all aspects of their game including fundamental skills and techniques, offensive defensive concepts, and team play. Sportsmanship and fun serve as the cornerstone of our coaching in helping all athletes take their game to the next level.

The coaching staff is comprised of highly qualified St. Mary's Academy head coaches, assistant coaches and former SMA varsity athletes who are competing at the collegiate level.

Cost: \$160 per camper, except All American Volleyball which is \$185 and Running Camp which is \$200.

ST. MARY'S RUNNING CAMP – CO-ED

Donna Miller, SMA MS & HS Cross Country Coach
Karen Bedard, SMA MS Cross Country Coach

Grades 6 – 12

June 20 - July 27 (no camp week of July 3)

Soccer

BRITISH SOCCER CAMP AT SMA!

June 19 – 23

The British Soccer Camp program provides a unique cultural experience for the players as each child will be coached by a member of Challenger's elite team of 1,200 British soccer coaches flown to the USA exclusively to work on these programs. Challenger's new 1,000 touches coaching syllabus provides an innovative daily regimen of foot-skills, moves, juggling, tactical practices and daily tournament play set in a fun, high energy coaching environment. Challenger also weaves lessons on Respect, Responsibility, Integrity, Leadership and Sportsmanship into the camper's daily routine. The camp includes a free soccer ball, jersey and camp t-shirt.

For information and registration, visit www.challengersports.com. Please register directly with Challenger Sports for soccer camp.
